Dear Josh:

Thank you for your continued support for the Third Age Barrie Lifelong Learning Association. We appreciate your donation that went towards the posters and bookmarks for the Fall Series, "Understanding Addiction" and the 2 music sessions, "Joni Mitchell and The Beatles."

Your sponsorship through the years has greatly helped mature adults in Barrie hear and learn very interesting topics and we look forward to your support in Spring, 2020.

Once again, many thanks on behalf of the Third Age Barrie Board of Directors.

Kind Regards,

Louise Pope, Chair
