Dear Ron:

Thank you for your continued support for the Third Age Barrie Lifelong Learning Association. We are grateful for your donation that went towards speaker's costs for our 2019 Fall events: A series on "Understanding Addiction" and two music sessions, "Joni Mitchell: Her Music and Painting", as well as "The World of the Beatles".

Your sponsorship through the years has greatly helped mature adults in Barrie to learn and enjoy a variety of topics. We look forward to your support in Spring, 2020, which will be a six- part series entitled: "Window into the Arts".

Once again Ron, on behalf of Third Age Barrie Board of Directors, I want to thank you.

Kind Regards,

**Terry MacMillan, Treasurer**
