Dear Susan and John:

Third Age Barrie Life Long Learning Association is pleased to donate one thousand dollars toward the replacement of the Audio Visual System to Grace United Church.

The Board of Directors wishes to thank both of you and Don Lynn for initiating and coordinating the project over the past several months. Our audience at the upcoming Spring Lecture Series will be pleasantly surprised and very appreciative of the outstanding quality of the visual presentations.

Our partnership with Grace United is very important to fostering lifelong in the Barrie Area and we are most grateful for the ongoing support.

Several of the board members plan to come to the service on Sunday March the first to experience the new and very improved audio visual system.

Regards

Louise, I wish to thank you for the very kind letter you sent to us and also the cheque for \$1,000.00. Our two organizations have a wonderful symbiotic relationship in which we try to serve our community to the best of our abilities. This may owe a lot to the fact that both organizations are made up of hard working and caring individuals. Thanks so much for all you've done. We will be installing the A/V equipment this Wednesday and Thursday. I hope none of your Board came to our Sunday Service on March 1st, for if they did they would not have been impressed. March 8th should be much better. Take care, John
